AMPERSAND

TAILOR-MADE TRAVEL

WHAT DO WE DO?

At Ampersand we believe that “luxury is in the experience”. We love travelling in style but are not afraid to step off the usual circuit in order to experience something more rewarding. We specialise in exclusive tailor-made holidays that are perfect for honeymoons, wildlife adventures, cultural tours, sabbaticals and multi-generational family holidays.

WHERE DO WE GO?

Since 2003 Ampersand has established itself as a leader in luxury holidays to Asia and, in recent years, to the UK, Scotland & Ireland. In keeping with our desire to share the places we know and love best, we are thrilled to add Southern Africa to our portfolio of destinations, including South Africa, Namibia, Botswana, Zimbabwe, Zambia & Mozambique.

WHO TRAVELS WITH AMPERSAND?

Our clients are mostly private individuals who recognise that time is their most precious asset and want to entrust it to experts with a well proven track record. This smooths out the planning process and ensures that they have the most rewarding and memorable experience possible. We also look after some of the world's most acclaimed museums and organisations who rely on us to arrange once-in-a-lifetime group tours for their most important patrons.

LOCAL KNOWLEDGE & CONTACTS

We are a team of knowledgeable and well-connected individuals who have lived and or travelled extensively in the destinations we offer.

TIME MANAGEMENT

We are experts in planning holidays – it's what we do all day, every day – and we ensure you enjoy every moment, both on holiday and during the planning process. Rather than your asset managers, think of us as your “time managers” who guarantee you the best possible return on your valuable time.

A modern living room with a large glass wall overlooking a coastal city and mountains. The room features a light-colored sofa, a wooden coffee table, and a patterned rug. The view outside shows a city, a beach, and mountains under a blue sky with clouds.

FIRST-HAND EXPERIENCE

We personally visit all the hotels and locations we recommend and can provide you with first-hand information and opinions on them.

RELIABILITY

More than seventy percent
of our business is from repeat
clients and friends they have
recommended to us.

SMALL BY CHOICE

We send up to 500 clients a year on holiday. We have deliberately chosen to remain small so that we can look after our clients to the best of our ability and enjoy the process as we go along.

FINANCIAL PROTECTION

Ampersand Travel is ATOL bonded meaning that
the money spent on your holiday is protected.

PERSONAL SERVICE

You will be looked after by one consultant
from your initial enquiry until your
safe return home from holiday.

TOTALLY INDEPENDENT

We only sell places we love.
Unless we would be happy to
stay there we will not sell it –
it's as simple as that.

OWNER RUN

Ampersand is owner run and, interestingly, most of our carefully selected local contacts are too. We feel that this creates a far more passionate and personal service and a greater sense of accountability, which are key to providing the best possible service.

WE LOVE TRAVEL

This will become obvious as soon
as you contact us!
